TAMARA KAMALI

k7tamara@gmail.com | +1 (984) 246-7575 (WhatsApp)

PROFESSIONAL SUMMARY

Detail-oriented Computer Science student with hands-on experience in AI model training, data annotation, and data analytics. Proven track record supporting data quality for generative AI systems through freelance and remote project roles with global providers like Innodata and Briwnet. Proficient in executing task-specific guidelines, dataset labeling, and workflow optimization. Seeking to leverage technical skills and ALX certifications in an AI Training, Data Annotation, or Data Quality Specialist role.

CORE COMPETENCIES

AI & Data Workflows:	AI Model Evaluation, Data Annotation, RLHF, Data Quality & Labeling, Data Cleaning
Analytics & Tools:	Data Analytics, Python, SQL, Excel, Task Guideline Execution
Soft Skills:	Remote Collaboration, Critical Thinking, Time Management, High Attention to Detail

PROFESSIONAL EXPERIENCE

Innodata | *Data Annotation & AI Specialist (Project-Based)* **2025 – Present**

- Evaluated and annotated complex datasets to improve accuracy and safety standards for AI training models.
- Adhered strictly to rigorous, project-specific task guidelines to deliver high-quality labeled data under tight deadlines.
- Identified, flagged, and corrected edge-case anomalies within dataset batches to maintain high data integrity.

Briwnet | *AI & Data Analytics Intern* **2025**

- Supported remote AI workflows, contributing to image, text, and data categorization projects.
- Collaborated with cross-functional teams to streamline digital workflows and task execution processes.
- Executed data preprocessing and basic analytics to prepare raw datasets for model evaluation.

EDUCATION

University of Nairobi **Expected Graduation: [Year]**

Bachelor of Science in Computer Science

CERTIFICATIONS

ALX Data Analytics Certification **2025**

ALX Artificial Intelligence Career Essentials (AICE) **2024**
